THE HILANDER '74

THE HILANDER 1974

JUNE 8th

Today is only the beginning
Time is now for us to part
To go our separate ways
Let's together stop and remember;

Remember
when we began
new books, new friends,
classes, clubs, dances.

Remember
reaching out to find all
but encountering only uncertainty.

Remember
a time for discovering.

Remember
the freedom we felt we had to sacrifice
the price of knowledge that was so dear.

Remember
the expectations, the disappointments.

Remember
the questioning: who am I, where am I going.

Now the end is just the beginning
The beginning of our lives
So in anticipation
Every moment so precious
Yet so short.

Together we take the final step
Only the final step in the beginning.

OFFICE OF THE PRESIDENT

To the Members of the Class of 1974

May I extend my congratulations to you on the successful completion of your curriculum at Mount Wachusett Community College. We are sure that your many experiences, both inside and outside the classroom, have equipped you with a success orientation.

You have left your mark at the "Mount." The prose (poetry!) and pictures in this book reflect this contribution. I am sure that we, the faculty, and you, the students, have been changed in a mutually beneficial way.

It is my hope that you will continue your relationship with us through Alumni Association and attendance at "Homecoming Weekend." In fact, I would most enjoy a visit by you whenever you are in the college area.

In this our celebration of the tenth anniversary, I wish you Godspeed.

Sincerely yours,

Arthur F. Haley

DEAN OF STUDENTS

January 7, 1974

Dear Graduates:

Another year draws to a close and commencement is just around the corner. I hope your two years were pleasant, meaningful, and fruitful.

May I wish one and all long life, good health, and a goodly share of the better things in life.

Do come back and visit us in our new campus. Your help and loyalty are needed to help us grow and prosper.

May God be good to you and yours.

Sincerely,

John P. Hogan

The Newman Association offers a variety to the student. Within its flexible membership policies and its purpose of college interaction on all levels, lies a wide field of activities open to its member, the student.

The Association consists of a student leadership body which performs the work load of arranging activities requested by its members. Membership is casual and participation in any activity optional. Some of the past Newman activities include its own publication, dances, and encounter weekends.
